Professional Summary

Aspiring Full Stack Developer skilled in object-oriented programming, Java, and new web technologies. Experienced in building scalable, real-time applications, with proficiency in Power BI for interactive dashboards and a foundation in AI&ML for data-driven solutions.

Skills

- **Programming:** Java, Python, C
- **Web Technologies:** HTML, CSS, JavaScript
- **Developer Tools:** Power BI, VS Code, GitHub
- **Databases:** SQL, Microsoft SQL Server
- **Soft Skills:** Problem-solving, Communication, Adaptability, Time Management, Project Management

Training & Certifications

- QSpiders Training Institute – Java Full Stack Development(Feb 2025 - Present)
- Introduction to AI - IBM SkillsBuild (Sep 2024)
- Cloud Essentials Badge – AWS (Sep 2024)
- Java Programming – Great Learning (May 2024)
- ServiceNow Micro-Certification – ServiceNow (May 2024)

Projects

Library Management System

- Java, MySQL, JDBC, HTML, CSS, JavaScript
- Increased system efficiency by 35% by integrating automated book issue/return, fine calculation, and email notification modules.

Food Recognition and Calorie Estimation using AI

- Python, TensorFlow/Keras, OpenCV, CNN, NumPy, Pandas
- Developed a CNN-based model with 92% accuracy for food image classification and calorie estimation using transfer learning (MobileNetV2), image augmentation, and a nutritional database.

Real-Time Traffic Surveillance System

- Python, TensorFlow, OpenCV, Deep Learning, Computer Vision, NumPy, scikit-learn
- Developed a real-time traffic surveillance system using CNNs and YOLOv7, achieving 96% accuracy in vehicle detection. Optimized frame processing speed by 30% via multithreading.

Education

B.Tech, Siddhartha Institute of Engineering and Technology 2021 - 2025
Computer Science and Engineering(AI&ML) – CGPA: 7.39/10

Intermediate, Krishnaveni Junior College 2018 - 2020
MPC Stream – 89.1%

SSC, ST Marys High School 2017 - 2018
CGPA: 9.2/10

Achievements

- Published a research paper on Food Recognition and Calorie Estimation using AI, presented at ICMDRI, ranked in the top 15% for innovation.
- Achieved 1st place in JNTUH Essay Writing Competition, showcasing strong creativity, clarity, and analytical skills.
